L6205 - L6205-Beautiful Wooded Lot On the Sittee River

Location: Sittee River - Hopkins - Stann Creek

Land Area: 10890 | Frontage: Water-Front

RE/MAX 1st Choice Belize is delighted to offer the last lot on the Sittee River in the Bocatura Subdivision for sale. The lot is in a natural state and has different vegetation and fruit trees. The property also has many tropical plants and flowers that attract birds, toucans, and many others. With Over 70 feet of Sittee River frontage and over 160 feet deep, I believe you will not find a nicer lot on the market right now. You and your family can also swim in the refreshing river or just go for a canoe ride and enjoy nature. If you love time alone or just a peaceful, quiet area, this property is just right for you. Contact RE/MAX 1st Choice for more information and a copy of the survey.â
