B4090 - 2.93 Acres Estate on the beach at Consejo Shores

Location: Consejo Shores Development - Corozal Town - Corozal

Land Area: 127631 | Frontage: Road-Front

On the coast of Corozal in the Consejo shores area is a beautiful piece of land just waiting for someone with vision. It is some 2.9 of acres on the actual shoreline and at night you can see the lights of Chetumal, Mexico; an added bonus is that there are numerous buildings on the property that are either complete or nearing completion and there are some which are foundations and walls only. A lovely gentle entry into the water makes for great swimming, ideal for church groups or a commercial venture. The price has been considerably reduced for a quick sale.
