## **14136 - 20 Acres at Rocky Point North**

Location: Stann Creek

Land Area: 879041 | Frontage: Beach-Front

20 acres of untouched island is home to a variety of corals and fish. Local fisher men cast their nets in the bay for some live bait before heading out on their fishing trip. The land has a lot of high and dry areas but dredging on the sand banks offer the perfect fill (permits supplied by DOE on application). A beautiful view of the Caribbean Sea and great snorkelling only a 20 minute boat ride from Placencia Village. Talk to Theresa - get your big piece of an island today.
