Location: Caribbean Way - Placencia - Caribbean Way - Stann Creek  
Beds: 2 | Baths: 2 | Living Area: 2000 | Land Area: 13800 | Frontage: Beach-Front

Hemmingway meets Frida Khalo on the shores of the Caribbean. Purpose built hideaway home for the young at heart, for those that have found solace in their lives, far from the maddening crowds. This almost 14,000 square foot lot is bigger than the normal beach lots around and thatâ€™s before the 66 foot beach reserve. This well-maintained garden lot features a guest cottage and a main house, equipped with a swimming pool, observation deck, pier, and a boat lift area. Each dwelling includes laundry facilities. Additionally, the main house has a large cistern that collects rainwater for free. The main home boasts a versatile hardwood kitchen with very distinctive granite tops flecked with hints of blue to mirror the sea, a mere 30 steps away. All of this open plan onto the living area and a home office. Donâ€™t forget a very relaxing front porch to sip sundowners on. Find your way up a hardwood staircase and you will find the main and only bedroom in the main house. Proceed through the built-in cupboards to access a spa-inspired bathroom that features a stone clad bathtub, shower, and separate his and her basin areas. We also have a roof top look out area that leads off the bedroom... contact agent for more info.
