L4030 - On the beach wilderness

Location: Punta Negra - Toledo

Land Area: 28750 | Frontage: Beach-Front

Reduced by \$20,000! Lot 3 is some 0.66 acres big, it has 100 foot of beach front and is deep at 300 foot. The lot next door may also still be available at a similar price. They don't come this way at this price often. Access by boat only, isn't that marvellous? No unannounced visitors. Looking for someone at peace with themselves. Someone who still marvels at nature, who still looks at the stars, someone who can still see the beauty in a shell. A perfect place to be at peace, to be creative in the building of a beautiful eco home. Currently Punta Negra is a remote location that looks set to flourish on a sustainable level with likeminded folk. If you are looking for more land a neighbouring lot may be available.
