## I4031 - No man is an Island?

Location: Placencia behind Hokey P - Stann Creek

Frontage: Water-Front

An opportunity to live in Feng Shui heaven, surrounded by water left and right. Also an opportunity to make provision for your retirement while living in style, yes sub division is possible. This nearly 2 acre piece of land on an island in the Placencia Lagoon, almost in the Caribbean sea, is the best of all worlds. Easy access to open sea, easy access to the middle of down town Placencia Village living and restaurants, a natural moat, already carved out boat mooring, hidden from tropical storms and a blank slate with proposed subdivision into 12 or 6 lots.
