Are you ready to leave the hustle behind and embrace a life on the beach in the charming Caribbean village of Placencia? This property offers you a house, a guesthouse, and plenty of room to add on rental units for a fully self-sustainable lifestyle in the tropics. Create your dream estate on one of the biggest lots in the village - almost a half acre of white sandy beach with the beautiful Caribbean Sea right across the sidewalk from you. The main house has 3 bedrooms and 2 bathrooms. It has an open family-style kitchen, living and dining area, vaulted solid hardwood ceilings and offers peek-a-boo views of the sea. The guest house has 1 bedroom and 1 bathroom and sits above the garage, overlooking the beach. This property, known as the Captain's House Crow's Nest, was once known as the grandest house in Placencia Village. It is a prime example of high quality Belizean hardwood construction built atop solid concrete foundation. In 2001 Hurricane Iris hit but this regal beauty stood up to the fierce storm. Don't delay on this opportunity. Contact us today for a viewing or virtual tour!
